

## *Letter from the President*

Dear Friends and Neighbors,

- Be sure to mark your calendars and join us on **October 27th** in the pool parking lot for the Neighborhood Fall Fest. More info will be available as we get closer but you will definitely not want to miss this!
- The Board is currently examining options to help curtail the excessive speeding taking place in the neighborhood. In the meantime, we would greatly appreciate everyone lowering your speed while driving in the neighborhood.
- A big thank you to everyone for helping keep the streets clear of vehicles. It is amazing what a difference it makes for the flow of traffic, neighborhood aesthetics, and general safety. If you have guests that need to park on the street, please make sure they are parked as close to the curb as possible.
- We have received some concerns regarding trash and damage to the landscaping by students waiting at the entrance for the bus. Please encourage your students to preserve the appearance of the entrance and to not leave their trash at the entrance. Additionally, when walking back into the neighborhood from Gateway in the afternoon, please make sure they stay to the curbs or grass as we do not want anyone to get run over. The safety of our kids is paramount and we need everyone to do their part.
- The pool will be closing for the winter on October 31<sup>st</sup>. Please make sure the gate closes fully and latches. This is for the safety of not only those that are using the pool but the neighborhood as a whole. Pool hours are 9am-9pm
- Please use the website (***WyndhamSouthHOA.com***) to submit any concerns, issues, suggestions, or requests for the neighborhood.

Thank you again,  
Chris Dorsey, President  
Wyndham South Board of Directors
